Dear Jim,

You did it! I'm writing this on Monday after the Friday, October 3, financial hardship deadline. I can admit to you now that I did not think we had enough time to bring both the JFK and the Patterson site acquisition projects to a point that we could submit for funding prior to October 3. You and your staff are miracle workers. I am so grateful that you are part of the team at Stanislaus County Office Of Education.

I know that we could not have done this without you and sincerely appreciate all your work and efforts on our behalf.

Sincerely,

A handwritten signature in cursive script that reads 'Kathy Lasiter'.
